Attached is a copy of the working plan of the Bauunion Nord, dated 31  
January 1953.

25X1A

Comment. Construction Area V, mentioned in the annex, was scheduled  
to construct installations in the Polchow-Martinshafen district, which  
were given the cover name of fishing harbor. Construction Area VII was  
dissolved in late February 1953 and its construction operations were  
taken over by Bauunion Kueste. See [redacted] 25X1A

Working Program of Baununion Nord VER

Manufacturing Sections:

1. Main Sections

10 Construction Area I:

100 Outer Harbor West Section

1000 Root of jetty

1001 Manufacture of concrete blocks

1002 Construction of west jetty

101 Outer Harbor East Section

1010 Root of jetty

1011 Construction of jetty

102 Construction Harbor Section

1020 Construction harbor

103 Water dredging operations

1030 Dredging operations at sea

1031 Dredging operations in the Bodden (lagoon)

104 Miscellaneous section

1040 Weddeort Transhipment Harbor-construction

1041 Weddeort Transhipment Harbor - harbor operation

1042 600-mm gauge transportation track

1043 standard gauge track

1044 grain elevator

1045 Construction of concrete block factory

1046 Refuge harbor with stone fishing section

1047 Storshed for concrete on transhipment harbor

11 Building Area II:

110 Track system Section

1100 900-mm gauge track system

1101 600-mm gauge track system

SECRET CONTROL - DIS. OFFICIALS ONLY

Access to

25X1A

111 Water level control and dredging operation section

1110 Water control in canal

1111 Dredging operations in canal

12 Construction Area III:

120 Track system section

1200 900-mm gauge track system

1201 600-mm gauge track system

121 Water level control and dredging operation section

1210 Water level control in canal

1211 Dredging operation in canal

13 Construction Area IV:

130 Track system Section

1300 900-mm gauge track system

1301 600-mm gauge track system

1302 Dredge track (bucket chains)

131 Draining operations Section

1301 Drainage of Spykerscher See (incl. dike)

1311 Drainage of Mittel-See (incl. dike)

132 Water level control and dredging operations Section

1320 Water level control in canal

1321 Ladder-dredge operations

14 Construction Section V:

15 Construction Section VI:

150 Cantonment Camp West A Section including Administration Section

1500 Construction of barracks installations, including coal sheds, garbage cans, etc.

1501 Safety measures (ring fence, fire pond, etc).

1502 Kitchen with mess hall

1503 Road building operations

1504 Open-air irrigation and draining installations

1505 Open-air electric installations

25X1A

151 Cantorment Camp B West Section

- 1510 Construction of wooden houses, including coal sheds, garbage cans, etc.
- 1511 Safety measures (ring fence, fire pond, etc).
- 1512 Kitchen with mess hall
- 1513 Road building operations
- 1514 Open-air irrigation and draining installations
- 1515 Open-air electrical installations
- 1516 Low voltage installations

152 Social and Cultural buildings Section

- 1520 First-aid and infirmary, Camp A (policlinics) in wooden houses
- 1521 HQ and cooperative buildings
- 1522 Artisans buildings
- 1523 HQ taverns West
- 1524 Bath building
- 1525 Cultural house West
- 1526 Traffic installations West
- 1527 Sports ground West

153 Dwelling Camp East Section

- 15300 Construction of wooden houses, including coal sheds and garbage cans.
- 15301 Safety measures (ring fence, fire pond etc.)
- 15302 Kitchen with mess hall
- 15303 Construction works
- 15304 Irrigation and drainage installations
- 15305 Open-air electric installations
- 15306 Low voltage installations
- 15307 HQ and co-operative houses (wooden bldg)
- 15308 Bath house (wooden bldg)
- 15310 First-aid station and Infirmary bldg.
- 15309 Artisans' house (wooden bldg)

15516 Other orders

16 Construction Area VII:

160 IN-houses section

1600 IN-houses<sup>1</sup>in Sagard

16001 IN-houses<sup>1</sup>in Glowe

161 House construction

1610 Preliminary work (boring operations)

1611 Construction of dwelling houses

1612 Open-air irrigation and drainage installations

1613 Open-air electric installations

1614 Road building

1615 Construction of concrete components

17 Construction Area VIII:

18 Construction Area IX:

2. Auxiliary Sections:

20 Machines and gear

21 Wooden buildings and booths on building sites, as far as funds were available (no dwelling camp)

220 Transportation group

221 Truck pool

222 Sedan pool

23 Central repair shop

24 Motor car repair shop

250 Painter's shop

251 Roofing shop

252 Glazer's shop

253 Carpenter's and whallmaker's shop

254 Joiner's shop

255 Locksmith's shop
